

DW-PC

Advantage Machinery™

Double Wire Paper Cutter Machine

The DW-PC is an automatic machine for the production of the separation paper that is used on spools of double wire. The machine feeds a roll of Kraft paper and it passes it through a cutting system where the notches are made. It then is rewound onto a roll and ready to use on the DW-S.

Model	DW-PC
Power (kW)	0.25
Weight (kg / Lbs.)	132 / 291
Machine Dimensions (in)	24 x 20 x 55
